Dear Sister Anita A. Jackson and Members of the Langley Avenue Ushers;

Congratulations on your accomplishment on reaching this great milestone, your 50<sup>th</sup> Anniversary. We give thanks to the Lord for His grace in preserving for Himself your ushers' ministry. The ushers' ministry is second only to the preaching ministry. You serve as the eyes and ears for the pastor and hosts for the congregation. On your posts for fifty years, great job!

Your ministry there at Langley Avenue Church of God, would have been established in 1970. This was during the time of Brother Robert Rhodes administration. He served as our National President from 1969 to 1972 and was our second National President. Your ministry has seen many changes over the years. And, we have enjoyed your presence and support for our National Ministry. Many of you have served and continue to serve our National Ushers Ministry.

In the last few months, the Covid-19 virus has kept us from our posts. However, we know that 1 Peter 5:10 (NIV) says in part "after you have suffered a little while, (Christ) will Himself restore you and make you strong, firm and steadfast." I know you look forward to returning to your posts.

**JESUS, THE GREATEST USHER**

The greatest usher ever known was Our Lord and Savior, Jesus Christ. Jesus not only ushered light into the world, but He also ushered sight to the blind man's eyes; life to the dead man's body; peace to the sorrowful heart; cured a sick body and made it well again. The greatest thing of all is that He ushered salvation into our souls...

Again, congratulations on your Golden Anniversary!

God Bless,

Joseph S. Scarborough, President

For a day in thy courts is better than a thousand. I had rather be a doorkeeper in the house of my God, than to dwell in the tents of wickedness.
