### **Wednesday Night Bible Study Group (RAH RAHs)**

#### **Happy Anniversary**

*Study to shew thyself approved unto God, a workman that need not be ashamed rightly dividing the word of truth - 2Timothy 2:15*

The Covid-19 pandemic did not stop the Wednesday Night Bible Study Group. Pastor Cynthia leads us weekly, via free conference pro, which connects us all together. Opening the service with greetings to one another and tasteful humor, we share a laugh, relax, and prepare for an evening of learning from God's word. Pastor Cynthia provides worksheets, emailed with subjects and questions which allows us to reason together or listen quietly, continuing to grow in the word of God.

*A merry heart doeth good like a medicine - Proverbs 17:22*

Thank you, Pastor for your dedication and love. Happy Birthday!

#### **Happy Anniversary / Happy Birthday Pastor**

*Let the elders that rule well be counted worthy of double honor, especially they who labor in the word and doctrine - 1 Timothy 5:17*

At Langley Avenue Church of God, we have a pastor who listens to and follows the Lord, leading the church wonderfully well and is blessed of the Lord. The Langley Avenue Choir wants to say Happy Anniversary. We are thankful that the Lord has placed you here with us as our shepherd. We will follow you as you follow Christ.

Today is a gift to you from God. Untie the gift! Happy Birthday!
